### MATTERS RELATING TO THE SALE BY THE DISTRICT COUNCIL OF PICTURES ONCE DISPLAYED IN THE VILLAGE HALL, GAVINTON

The chairman drew attention to the recent announcement that the outgoing district council had sold pictures for £5000 that were once in the custody of the Gavinton village hall. He asked Mr Markby to report to the council the history of these pictures and Gavinton's involvement in them.

After Mr Markby's report the council discussed the matter and unanimously concluded that the long custodial association of Gavinton with these pictures merited the council making representations to the district council that proceeds of this sale should accrue to the Gavinton community for their benefit and use in projects to enhance the various amenities of the community.

It was agreed that the chairman would write to the district council to this effect.
