Subject: The Oil-Club ☆☆☆ We have a rate for this weekend's group oil order ☆☆☆

This weekend's rate is **£0.5010 ppl*** for the **Greenlaw and Leitholm Heating Oil Club**

Dear [REDACTED]

Rates edge up slightly this week as Brent Crude continues to hover around \$60/\$61 a barrel. However, suppliers are seeing a noticeable increase in activity this week as we all prepare for winter. Have you checked your tank levels and filled up for the winter months ahead? Delivery times are 5 to 10 working days.

TIP - Pre winter checks: With the evenings already getting much cooler, this weekend would be a good time to test your central heating to check it has not developed any gremlins over the summer.

Have you serviced your boiler recently? If not, it would also be a good time to get this booked in. Bleeding any air that has built up in the radiators is also good idea if you are able to do so, to ensure your heating is running at maximum efficiency.
